E-Z TRAIL...

AWS HEAD HAULERS

You can rest assured if your header is well secured!

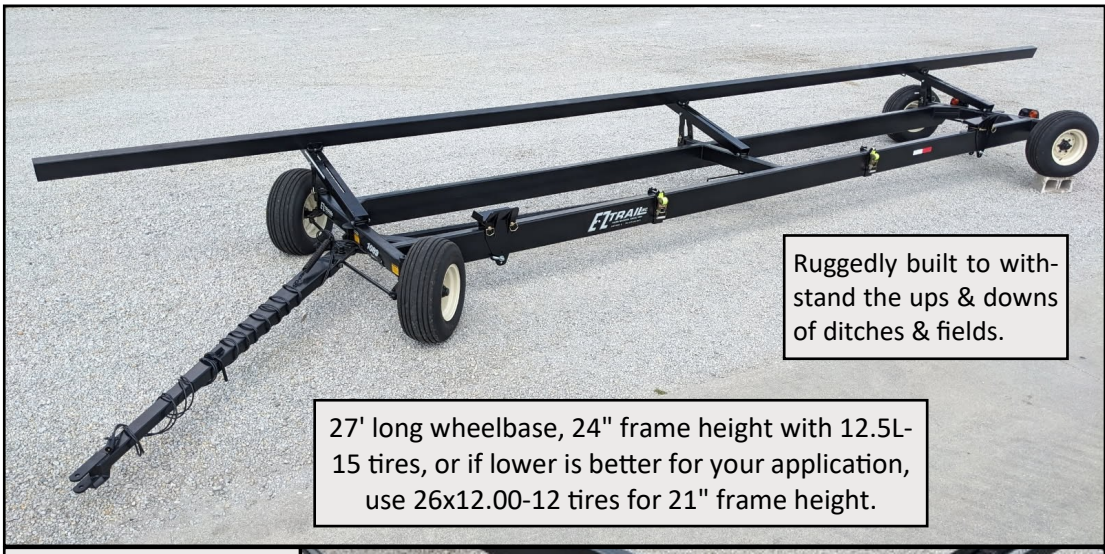

Combine heads have gotten big, bigger, and biggest, but some places that heads need to go are still size small. The 1089 All Wheel Steer Head Hauler helps to fit heads where they belong.

In all thy ways acknowledge Him, and He shall direct thy paths. Prov. 3:6

Head Haulers that help you move “ahead” at harvest time!

E-Z Trail 1089 All-Wheel Steer Head Haulers with a 10-ton capacity are available in 3 sizes: 37’, 42’ & 48’. They are designed to fit all brands and models of combine grain and corn heads, including draper heads. Standard features like extendable “E-Z Hitch” tongue with spring lift assist, lifetime accurate trailing, wrench-free quick adjusting, ratchet tie-downs, & E-Z Handcranks at no extra cost… help you move ahead at a price that won’t set you back!

Ruggedly built to withstand the ups & downs of ditches & fields.

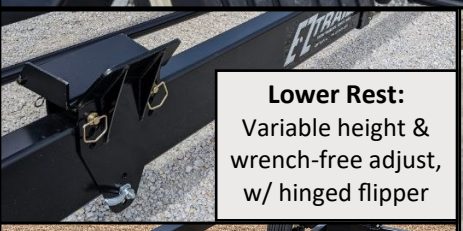

27' long wheelbase, 24" frame height with 12.5L-15 tires, or if lower is better for your application, use 26x12.00-12 tires for 21" frame height.

EZ-ly adjust the setting of the long top rail with hand-cranks.

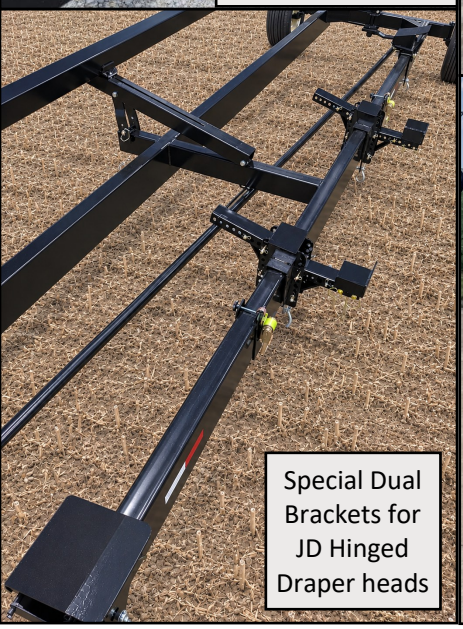

Optional Lighting Kit: a necessity for road use before sunrise & after sunset, & a boost to safety any time

Lower Rest: Variable height & wrench-free adjust, w/ hinged flipper

Special Dual Brackets for JD Hinged Draper heads
