

**E-Z TRAIL...**

# **COMPACT WAGONS**

***BIGGER ISN'T ALWAYS BETTER...***

Sometimes smaller things can do what bigger things can't do. Remember "little David" & the giant?

**E-Z TRAIL INC.**

In all thy ways  
acknowledge Him,  
and He shall  
direct thy paths.  
Prov. 3:6

# COMPACT TRACTORS NEED COMPACT WAGONS...for doing small jobs in a big way

**50 Bushel Gravity Wagon** on 2-ton gear w/5.70-8 tires. Built farm tough, just like the big ones. Hauls & self unloads grain, feed, pellets, citrus, coal, nuts, or “whatever flows, goes”! Measures 4’ wide, 6.5’ long & 57” tall.

**Jr. Flat Rack:** 6’ x 10’, 2-ton gear with std. 5.70-8 tires or opt. 20.5 x 8 tires, 2” x 8” treated floor boards (40 yr. wood life) framed in steel with stake pockets. Its low 21” deck height makes loading E-Z. It can haul up to 50 bales and is very useful in orchards & nurseries, for landscaping & displays. Custom rack sizes are available for use in factories, vineyards, etc.

**NEW Jr. Bale Carrier/Feeder** on 2-ton gear for “Hobby or Small Farm” animal lovers. Save-a-lot of hay & chore time.

2-Ton Jr. Running Gears are available in 46” or 60” wheel tread & std. 5.70-8 tires (shown here with opt. 20.5 x 8-10 tires). E-Z Trail’s time-tested “wag-resistant” steering utilizes a kingpin with tapered roller bearings & greasable automotive tie rod ends.
